\$500 REWARD

Offered by the manufacturers
of Dr. Sage's Catarrh
Remedy, for a case of Ca-
tarrah in the Head, which
they cannot cure.

SYMPOMS OF CATARRH.—Dull, heavy
headache, often starting from the neck, like the throat,
sometimes profuse, watery, mucous, at others,
thick, tenacious, mucous, purulent, bloody and
putrid; the eyes are weak and watery; there is
a ringing in the ears, and a sense of fullness, hacking or
coughing to clear the throat, expectoration of
offensive matter, together with sneezes from ut-
ters; the voice is changed and has a "nasal
twang"; the breath is offensive, sour and
foul smelling; there is a sense of oppression and
weariness, with mental depression, a hacking cough
and general debility. Only a few of the above-
named symptoms are likely to be present in
any one case. The disease is chronic, and
nothing manifesting half of the above-symptoms,
result in consumption and end in the
grave. No disease is so common, more de-
ceptive and dangerous, or less understood by phys-
icians.

Dr. Sage's Catarrh Remedy cures the worst
cases of Catarrh, "Cold in the Head,"
Coryza, and Catarrhal Headache.

Sold by druggists everywhere; 53 cents.

Untitled Advert from Catarrh

Prof. W. H. Hayes, the famous mechanician,
of El Paso, N. M., writes: "Some time ago I
suffered until agony from chronic nasal catarrh.
My family physician gave me up as
incurable, and said I must die. My case was
such that I could hardly walk, and my nose
was so sore that I could hardly speak, and
barely speak above a whisper. In the morning
my coughing and clearing of my throat would
almost strangle me. By the use of Dr. Sage's
Catarrh Remedy, in three months, I was a well
man, and the cure has been permanent."

Constantly Hawking and Spitting:

THOMAS J. RUSHING, Esq., 2902 Pine Street,
St. Louis, Mo., writes: "I was a great sufferer
from catarrh for three years. At times I could
hardly walk, and was constantly hawking and
spitting, and at the last almost unable to swallow
and not breathe through the nostrils. I thought
nothing could be done for me. Lastly, I was
advised to try Dr. Sage's Catarrh Remedy, and
now, now, what a relief! It is the only remedy
I have ever tried for catarrh now manufac-
tured, and one has only to give it a fair trial to
experience astounding results and a permanent
cure."

A complete Treatise on Catarrh, giving value
and weight of evidence, directions for its treatment
of importance, will be mailed, postpaid to any
address, on receipt of a two-cent postage stamp.
